- Multiple spray patterns from jet, fan, power and low flow
- Ergonomic handle allows for easy grip and less fatigue
- Precision flow port allows water to flow directly and not up and through the handle, increasing water flow, pressure and power by approximately 30%
- Lever provides 2-way shut-off allowing spray pattern to remain the same when turning on and off
- Machined aircraft aluminum barrel with stainless steel construction
- Santoprene® rubber handle and head provide superior durability
- Works with any standard 5/8" or larger water hose
