

# Industrial Hand Rivet Tool Kit

HR-26PKC

Extra long handles provide better leverage, requiring less hand force

## Features and Benefits

- Upper handle is forged Cr-Mo steel alloy
- Anti-wear design with high strength alloy body and steel insert
- Special shock absorber on alloy body
- Auto-ejection design allows quick replacement of inside worn parts, such as jaws, by removing retaining screw
- Sets 3/32", 1/8", 5/32", and 3/16" rivets
- Extra long handles 10-1/4" (260 mm)

### **WARNING**

Wear safety goggles (User and Bystander).
